#### **Comments Regarding Pricing Strategy**

The subject property is a Townhouse. The subject was built in 1973 and is 1440 sq ft. I have searched a distance up to 0.5 miles, gla +/-20% sq ft, lot size 30% +/- sq ft, age 10% +/- yrs, and up to 6 months in time. There were limited similar criteria comparable available. Therefore, I exceeded sold date, bed count, and proximity guidelines up to 0.80 miles. Due to limited comparable with similar criteria variance in bed count comparable and superior conditions comparable were used in this report. The subject is located near busy roads, waterbody, highway, school, and commercial buildings. Comparable were also from the same location and support value. In delivering final valuation, the most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure. Property has 1/Detached Carport and 1/Detached Garage. "The subjects address was not clearly visible from the street however I made visual confirmation with the tax maps.
