Comments Regarding Pricing Strategy		
<p>This was a very difficult report due to there was no house number to find. When I looked on the Plat Map it does show this home is after Prairie st ends. As you can see buy the photo prairie ends at 4460 Prairie their neighbor. From Prairie St you can only see the back of the house so I went around and found a side picture and on Oak Street the front picture and the house number which makes sense is 4465 of subject house. I know this is the subject home.</p>
