<p>Values are based on most recently closed sales similar to subject and currently listed properties in direct competition with subject property. Home was priced at mid-value since there are no extraordinary characteristics that would value the subject lower or higher. The properties used are the best possible currently available comps within 0.99 miles. The adjustments are sufficient for this area to account for the differences in the comparables to accurately reflect the current market value of the subject. Suggested comp was used in the report. Final values revised. Photo updated.</p>
