### Comments Regarding Pricing Strategy

Subject details are taken from TAX. The property is located in an area where the availability of comps are very low. To find similar comparable it was necessary to exceed the proximity criteria upto 1.91 miles and also exceeded style, year built, Pool, 6 month sold date, lot size, GLA and bed/bath criteria. The comps used in this report support the market value of the subject. Most of the similar comparable in subject neighborhood are renovated or having updates Due to limited availability of similar condition comparable, I was forced to use comparable with some minor upgrades. The subject's Bed/Bath count Lower than allsold/List comps. Due to limited comps within proximity, +/-30% GLA, +/-40% year built, +/-30% lot size and 12 months back, sold/list comps were used despite not bracketing the Bed/Bath count as they are still considered to be reliable comparables. The subject's GLA Lower/Higher than allsold/List comps. Due to limited comps within proximity, +/-30% GLA, +/-40% year built, +/-30% lot size and 12 months back, sold/list comps were used despite not bracketing the GLA as they are still considered to be reliable comparables. Necessary adjustments were provided for compensating the difference in attributes. The sold comps is significantly superior in pending date to the 120 day time frame. Within subject market area +/-30% GLA, +/-40% year built, +/-30% lot size and 12 months back there were limited sold comparable with pending date. Due to limited comparable from same location, it was necessary to use comparable from across the busy street and Highway but from similar neighborhood. It will not affect the current market value. The subject is located within a reasonable proximity to municipal services including schools, park, Place of worship, Restaurant shopping and employment centers. In delivering final valuation, most weight has been placed on S2 and A1 as they are most similar to subject GLA and overall structure. As per tax subject owner name is Catamount Properties 2018 LLC
