<p>The subject is a 4 bed, 2.5 bath SFR style home in average condition. All maintenance appears to be up to date and no repairs are necessary based on the exterior inspection. Due to limited comparable it is necessary to include those properties that may exceed the condition, age, bed count and lot size variance. Garage count provided as per the details in MLS/tax. Details taken from the tax record. Due to limited comparable it is necessary to include those properties that may exceed the age variance. The comps however are valuable and bracket the subject well in terms of condition and size. Most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure.</p>
