Comments Regarding Pricing Strategy		
<p>Subject is a single family home with 1534 Sq.ft. In order to include comparable to reinforce the subject's GLA and other attributes, the sold comparable search was broadened to 12 months time. Due to limited comparables, need to exceed age over 10 years, sold date beyond 3 months, bed/bath count guidelines. To stay in closer proximity need to use good condition comparable. Subject is located near busy road, airport, school, cemetery, park and commercial amenities. Due to limited comparable from same location, it was necessary to use comparables from across the busy road. However, this won't affect the market value. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS1 and LC2 as they are most similar to subject condition and overall structure. Subject details are taken from tax record. Subject and comparables garage count is verified using picture.</p>
