Comments Regarding Pricing Strategy		
<p>As per tax record subject owner name is Helm Coral D The subject property is a SFR home which is located in Westbury Sec 04. To stay in closer proximity need to exceed condition, age, bath, pool, style and lot size. In order to bracket the subject's GLA, a search for comps was broadened to include a wider price range. Subject is located near busy street, educational institutions, worship place, park and commercial buildings. Due to limited comparable from same location, it was necessary to use comparables from across the busy street. However, this won't affect the market value. Value is derived from an emphasis on sold comp 1 and list comp 2, as they are most similar to subject condition and overall structure. Subject attributes are from MLS.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
