## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.

Form Help:

There are blue question marks (?) throughout this form. These are designed to offer guidance for that particular section of the form. Please click on them for help.

Comparable Requirements:

1. Please use fair market comps from the same neighborhood, block or subdivision whenever possible.
2. Please only use REO comparables if the market is driven by REOs and they are comparable in characteristics and condition.
3. Please use comps that have closed in the past 3 months to show the current market conditions or comment in the report if this is not possible. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Standard Instructions:

1. Clear Capital Code Of Conduct - Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.
2. If the subject is currently listed, please consider all available information pertaining to the subject's condition. This information should be utilized when developing the assumption of the subject's condition.
3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.
4. Include sufficient detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as neighborhood desirability, amenities, parks, schools, commercial or industrial influences, REO activity, traffic, board-up-homes, etc.
5. Do not approach occupants or owners.
6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.
7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.
