Comments Regarding Pricing Strategy		
<p>Comparables were searched within 1 mile, 20% GLA +/-, Year built 20 +/- and to locate comparables in the subject's neighborhood it was necessary to exceed proximity upto 2.32 miles, style, year built, 20% GLA, bed/bath count, basement, lot size guidelines and used superior condition comparable in the report. Sale comp #2,#3 exceeds 6 months on date of sale but used due to stable market conditions. Subject bed/bath count is unique for the neighborhood. Due to limited comps in the area, comps were used despite not bracketing the bed/bath count as they are still considered to be reliable comparables. Subject is located near school, park, commercial and water bodies. This however will have no impact on value. In delivering final valuation, most weight has been placed on CS2 and LC3 as they are most similar to subject condition and overall structure.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The price is based on the subject being in average condition. Comps are similar in characteristics, located within 2.31 miles and the sold comps closed within the last 10 months. The market is reported as being stable in the last 6 months. The price conclusion is deemed supported.
