<b>Comments Regarding Pricing Strategy</b>		
<p>Subject property should be priced near mid range of competing listings due to balanced supply of directly competing listings in College Park. Subject property is most like Sale #2 which sold for adjusted sales price of \$222,100. Subject property would be expected to sell near mid range of adjusted recently closed sales with 90 days on market. This property was previously listed for sale for \$175,000 under contract in 4 days on market. It appears to have been priced for quick sale. Suggest interior inspection to determine actual bath count. MLS states 1 bath, however tax records state 2 baths which is considered to be correct. No address visible on property, photograph of address verification of contingent properties on each side.</p>
