<b>Comments Regarding Pricing Strategy</b>		
<p>Subject has 2 bed and 1 bath. To locate comparable, it was necessary to exceed sold date beyond 3 months, bed/bath count, age and lot size guidelines. To stay in closer proximity need to use good condition comparable. Sales considered had sale date within last 12 months. Subject is located near busy road,park, school,worship area,highway and commercial amenities. Due to limited comparable from same location, it was necessary to use comparables from across the busy road. However, this won't affect the market value. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS1 and LC3 as they are most similar to subject condition and overall structure. Subject and comparables garage count was verified using MLS. Subject details are taken from tax record. There was no mailbox number. Address was verified by surrounding house numbers.</p>
