<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is located close to a high traffic roadway, public park and power lines. This may have a negative affect on marketability. It was necessary to expand beyond AGE, Bedroom count and Wide Comp Value Range guidelines due to limited comps in the area. Subject is located close to several ponds but this has no positive affect towards marketability. Please note that I was forced to use Good condition comps due to proximity. I gave most weight to CL1 and CS2 which is similar to subject in overall appeal and condition. The Anticipated Value (ASV) given should allow subject to get under contract within 90 days. Final value conclusion given is based on Fair market value.</p>		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
