* Listing 1 is the most comparable listing to the subject.

¹ Comp's "Miles to Subject" was calculated by the system.

² Comp's "Miles to Subject" provided by Real Estate Professional.

³ Subject \$/ft based upon as-is sale price.

Listing Comments Why the comparable listing is superior or inferior to the subject.

Listing 1 Improved lot in a subdivision. If a buyer deems the property un-salvageable and wants to demo the property this is the most similar piece of land on the market.

Listing 2 No active comps of similar condition to the subject. This comp is a similar era to the subject and would be inferior in terms of GLA and acreage to a renovated subject.

Listing 3 The only active comp in Grantsville built in a similar era to the subject. Comps is superior due to style and acreage of a renovated subject.

Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- Sold 1** If a buyer deems the property un-salvageable and wants to demo the property this is the most similar piece of land sold within the past year. This land is just down the street from the subject. Adjustment for lot size \$-3k, if subject demoed.
- Sold 2** The property is most similar sale in terms of condition in the valley. This property is still superior. GLA \$70k, Lot \$3k, to the subject as it is inhabitable just needs TLC.
- Sold 3** This comp was chosen to show a value of a property built in a similar era and size if the subject was improved to be inhabitable. Lot \$-10k, GLA +20k. Yr Built -12k.

| Comments Regarding Pricing Strategy | | |
| <p>For sales I found the most similar lot only if the subject was demoed, the most similar condition and comp if the subject was improved. For Listings 1 land only comp as well as 1 interior and 1 superior comp to a repaired subject. Although the property is unsafe to enter to fully understand the interior of the property an interior inspection would be recommended. There is not a clear address photo for this house that is 150 years old. Tax record matches with the trustee sign on the house. Also reviewed the address numbers on the properties to the east and west of the subject to determine this was the correct property.</p> | | |
