Comments Regarding Pricing Strategy		
<p>The recommended value of the subject property is based on the adjusted values of the sold comps, with the most weight given to sold comp 3 because it is the most similar to the subject. Due to a lack of manufactured homes that are within one mile and in a similar neighborhood to the subject, it was necessary to use listed and sold comps from a neighboring 55+ community and make adjustments accordingly, based on location, age, size and garage. Due to a lack of sold comps with a location and view that are similar to the subject, it was necessary to use comps that all back to a golf course in a 55+ community and make adjustments accordingly.</p>		

Clear Capital Quality Assurance Comments Addendum
