<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is a-typical for the neighborhood. Average square footage for the grid is 900 to 1200 square feet and average age for the area is 70 to 80 years old. Subject is located in a limited neighborhood, bordered by a high commerce area and an airport. Due to these characteristics comps are limited within the grid of the subject. Search for comps was extended 5 miles and back 12 months resulted in 3 listing and 3 sold properties similar in characteristics and price. Extending distance beyond the distance noted would not provide good comps due to condition, square footage and year built. A wide range of prices is unavoidable, therefore primary reliance is placed on sold comps due to value.</p>		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
