Comments Regarding Pricing Strategy		
Estimated sale price is for the subject home to sell within 90 days at fair market price based on fair market comps for the neighborhood. Strong consideration was given to the sold comps since they are proven sales in the neighborhood. Due to lack of more recently sold comps, it was necessary to go back over 3 mos. to 4 mos. for one sold comp. Since the market has been stable for that period, no adjustment was made for the earlier sale date.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
