Comments Regarding Pricing Strategy		
<p>I went back 3 months, out in distance 1 mile, and I was unable to find any comps which fit the correct requirements. Within 1 mile and back 12 months I found all 3 sold comps of which I could only use. The comps used are the best possible currently available and the adjustments are sufficient for this area to account for the differences in the subject and comparables. There aren't any active or pending listings within 1 mile. I had to go out in distance 1.30 and I found 3 comps. The comps used are the best possible currently available. Inventory is very low. The market isn't driven by REO's and Short Sales.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
