| <p>*** PLEASE NOTE THE FOLLOWING: -lack of listings so I had to expand search up to 3 miles radius - 2 hosue lot duplexes were used - sales date expanded back to august to find most comparable sales - sold comp two is closest and most similar to the subject and was placed with that comp - THE WIDE RANGE was unavoidable due to the lack of listings that were on the high end My intial search started at: MLS area 95820, 0.75 mile radius, back 6 months in time, dwelling square footage ranged from 900 to 1300. The most recent relevant listings and comparables were used in this report. Typical market time as evidenced by closed sales within the area is 90 days or less . The length of the marketing time is dependent on the listed price of the property .</p> |                    |                       |
