Comments Regarding Pricing Strategy		
<p>The MLS was searched for comps by the following search parameters: GLA range of 2352 to 3528 square feet, within 3 mile radius, 1982 to 2018 year built range, and 12 months time for sold comps. To stay within subject neighborhood need to exceed bed, bath count, GLA, age +/-30 yrs, style and lot size guidelines. Since there were limited comps available, I was forced to choose all active comps not bracketing subject GLA. CS1 dated sale (over 3 months) Subject is located near school, water bodies, airport, highway and commercial. Comparable are also from the same location and support subject value and marketability. In delivering final valuation, most weight has been placed on CS1 and LC2 as they are most similar to subject condition and overall structure. Subject attributes are taken from tax record attached.</p>		

Clear Capital Quality Assurance Comments Addendum
