#### **Comments Regarding Pricing Strategy**

The search parameters were expanded to a +or- 20% GLA range, no age range, 12 month COE date range, & a 1 mile radius. I was able to locate 4 of the 6 comparable properties, including all 3 of the sales, within 0.23 miles of the subject. All of the comparable sales have a DOM of less than 90 days & sold #1 has a COE date over 6 months old. They have been adjusted to reflect the increasing market. No adjustments were made for DOM or the older COE dates, due to the current stable market. In my opinion the 6 properties used are the tightest bracketed price grouping, & the best available within the expanded search parameters to determine the subject's current market value.
