^{*} Listing 3 is the most comparable listing to the subject.

Listing Comments Why the comparable listing is superior or inferior to the subject.

- **Listing 1** This property is under contract taking backups. Due to the limited inventory there aren't any active comps that are tri levels. But it is in the same area.
- **Listing 2** This property is under contract taking backups. Due to the limited inventory, I was unable to find a Tri level that was active. I had to go outside of Acreage to the North side of Pueblo West to find a similar property.
- **Listing 3** This property is in the same area as the subject. This property is under contract taking backups. Due to limited inventory I had to use this one. There aren't any active Tri 410 Latimarlevels in the area.

Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** This s in the Pueblo West East area and it is also on just over an acre. There is limited inventory to choose from. But this is a Tri Level. \$5500 in seller concessions This comp was a bit dated.
- **Sold 2** There was \$5000 in seller concessions. This comp is in the same area as the subject. It is also a Tri level. This is the best comp. Same bedrooms and baths. Even though it is a bit smaller than the subject I still feel that this is the best comp.
- **Sold 3** This property is in the same area as the subject. No seller concessions. This comp is smaller and has 3 bedrooms and the subject has 4. Inventory is limited.
