General Conditions

Owner	CATAMOUNT PROPERTIES 2018 LLC	Condition Comments The home has notices on the windows consistent with foreclosed homes in the area. No curtains were up. There was a vehicle in the drive that appeared to be working on this home. I marked the home as vacant. The subject is a one story, brick, ranch style, sfr. This is a slab home with no basement. The subject's view is of similar homes and is in a suburban subdivision. This is a similar view as other homes in the area. The subject is in a subdivision that has a golf course. I observed no required repairs from the exterior inspection. I strongly recommend an interior inspection due to the vacancy of the property. In the absence of an interior inspection, I valued this property in average condition.

Comments Regarding Pricing Strategy		
<p>I used the attached tax records for the subject's characteristics. In order to find similar comps I searched the MLS and tax records. I started with a .5 mile radius in the same zip code. I used a gla range of 1337- 2005 sq. ft. (20%) I used an age range of 35-65 years (30%) I looked at all one story slab homes that have sold in the last 6 months. The search produced 6 sales that ranged from 185,000-279,900. I used 2 slab homes that were non updated. I looked back 9 months to have a 3rd sale that was a slab home/ no basement. **Proximity and condition were a high priority in comp selection** I used the same search to look for similar active listings. I found 1 listings in a .5 mile radius at 239,500. It was a slab home and used on this form. I had to expand the radius to have additional list comps. Value is a fair market value. Value is based on the subject being in C4/ average/ non updated condition. **There is a higher tier of values for renovated homes in the area.* If the subject is in need of updating please look to sold comp 1 for value.</p>
