Comments Regarding Pricing Strategy		
Comps are based on similarities of the subject in age, condition, GLA, and lot size. Comps are pulled within a 2 mile radius of the subject. Sold comps go back 12 months. Had to extend the radius and go back 12 months on sold comps because subject's age. Most of the properties in immediate area are older properties. There is also a shortage of listing comps. Extending the radius has no impact on value. These are the best comps that are similar to the subject Subject is boarded up due to crime in area.
