Comments Regarding Pricing Strategy		
<p>Subject is a single family home with 1167 Sq.ft. Since there were limited comparable available within subject's market neighborhood, it was necessary to use a sold comparable with a sale date beyond 3 months from the date of this report. Due to limited comparables, need to exceed sold date up to 12 months, bed/bath count, lot size and year built over 10 years guidelines. To stay in closer proximity need to use good condition comparable. Subject is located near busy road, worship area, school, railroad and commercial amenities. Comparables are also from similar location and it support subject value and marketability. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure. Subject details are taken from tax record. Subject and comparables garage count is verified using MLS. As per tax subject owner name is Higuera Jose D</p>
