Subject property should be priced near mid range of competing listings due to oversupply of directly competing properties. This property is most like Sale #3 which sold for adjusted sales price of \$370,000. It was under contract in 12 days on market. Subject property would be expected to sell near this price point with 90 days on market. All closed sale comps are located in guard gated Rhodes Ranch and considered most indicative of anticipated sales price of subject property.		

### Clear Capital Quality Assurance Comments Addendum
