<b>Comments Regarding Pricing Strategy</b>		
<p>Insufficient comparable sales are available within 3 months of the sale date. The estimated market value is based on the adjusted net sale price of the comparable sales. Due to the lack of similar comps in the subject property neighborhood, it was necessary to relax criteria and expand proximity in order to obtain sufficient comps. Was not able to define suspected chimney concerns. Recommend roof inspection. No cost included in repair estimate or as repaired price. Comparable listings were not available to</p>
