<b>Comments Regarding Pricing Strategy</b>		
Listing comp 1 and sold comp 1 are the best comparables to look at to price the subject. I think we should price it close to the sold comp adjusted price and drop it closer to the listing adjusted price if it doesn't sell. The market in Clarksville is very healthy. It is a seller's market. I believe the lowest this property would sell for would be \$260,000 in today's market.
