**Listing Comments** Why the comparable listing is superior or inferior to the subject.

- Listing 1** Listing Comp 1 appears to be in equivalent condition to the subject property. Both appear to be all original with little to no visible deferred maintenance. In order to find properties similar to the subject property, I had to expand my search to a 1-mile radius. Without viewing the interior of the home I have no indication that the subject property's kitchen has been updated to the condition of this comparable so I made the adjustment of \$-4000. Without viewing the interior of the home I have no indication that the subject property's bathrooms have been updated to the condition of this comparable so I made the adjustment of \$-4000. Without viewing the interior of the home I have no way of knowing if it has been updated to modern solid flooring like this comparable so I adjusted \$-4000. The subject property appears to have slightly inferior landscaping to this comparable so I adjusted \$-2000. Due to the unique nature of the subject property, it was necessary to expand the search parameters past a 15% deviation of the subject lot size in order to find similar properties. The subject properties' superior lot size resulted in an adjustment of \$540. The subject's superior age resulted in an adjustment of \$500. 0 The subject's superior gross living space resulted in an adjustment of \$3520. Without viewing the interior of the home I have no way of knowing if it has been updated to modern solid flooring like this comparable so I adjusted \$-4000.

## Recent Sales - Cont.

### Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- Sold 1** Sales Comp 1 is about as close to the style of the subject property as is available. Due to the unique nature of the subject property, it was necessary to expand the search parameters past a 15% deviation of the subject lot size in order to find similar properties. The subject properties' superior lot size resulted in an adjustment of \$720. The subject's superior gross living space resulted in an adjustment of \$1340. The seller concession went towards the buyer's closing costs and reduced the out of pocket expense for the buyer so I made an equal commensurate adjustment of \$-5500. In order to find properties similar to the subject property, I had to expand my search to a 1-mile radius. The subject property appears to have inferior landscaping to this comparable so I adjusted \$-2000.

<b>Comments Regarding Pricing Strategy</b>		
The current market conditions are driving up demand due to historically low-interest rates and inventory. I believe utilizing all of the comparable properties' adjusted value is the most accurate way to bracket the subject's value.		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.

## Addendum: Report Purpose - cont.

**Report Instructions**

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report.

Instructions last updated: 7/17/2017

Purpose:

Please determine a fair market price for this property at which it would sell in a typical marketing time for the area.

Customer Specific Requests:

\*\*If the property is commercial or mixed use, please stop and contact Clear Capital as soon as possible\*\*

Form Help:

There are blue question marks (?) throughout this form. These are designed to offer guidance for that particular section of the form. Please click on them for help.

Comparable Requirements:

1. Please use fair market comps from the same neighborhood, block or subdivision whenever possible.
2. Please only use REO comparables if the market is driven by REOs and they are comparable in characteristics and condition.
3. Please use comps that have closed in the past 3 months to show the current market conditions or comment in the report if this is not possible. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Standard Instructions:

1. Clear Capital Code Of Conduct - Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.
2. If the subject is currently listed, please consider all available information pertaining to the subject's condition. This information should be utilized when developing the assumption of the subject's condition.
3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.
4. Include sufficient detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as neighborhood desirability, amenities, parks, schools, commercial or industrial influences, REO activity, traffic, board-up-homes, etc.
5. Do not approach occupants or owners.
6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.
7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.
8. Clear Capital does not allow any log ins from IP addresses from foreign countries. This includes, but is not limited to; data entry services, form completion services, etc. Also, it is against Clear Capital code of conduct to share your password with anyone who is not a W2 employee in your office.
9. Clear Capital and our mutual customers greatly appreciate your expertise. If you cannot personally inspect the property, select comparables, and determine a price for the subject, please do not accept this report. Per the standards and guidelines adopted by Clear Capital and other industry leaders, the use of assistants to complete any of the aforementioned tasks is not permitted.

## Report Instructions - cont.

Due to the importance of an independent opinion of price, please do not discuss your price with anyone or be influenced by list price, pending offers, accept comp packets, repair estimates or the listing agent's opinion.

1. One current, original photo of the front of the subject 2. One address verification photo 3. One street scene photo looking down the street 4. MLS listing and sold comp photos required, please comment if no MLS.
