Subject property should be priced near mid range of competing listings due to balanced market supply of listings. This property is most like Sale #2, sold for adjusted sale price of \$257,200. It was under contract in 3 days on market. Subject property would be expected to sell near this price point with 90 days on market. This property sold by Trustee Deed 01/22/2021 for \$200,000. It appears to have sold below fair market value as supported by recently closed model match sales and currently listed directly competing properties.
