Comments Regarding Pricing Strategy		
All comps were adjusted to reflect the differences in features, amenities and condition. It is driven by regular transactions. The sold comps provided a bracketed price range that once it was validated by the adjusted listings, led into the final opinion of value. The property should be marketed AS IS in a marketing cycle of 30-60 days.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
