Listing Comments Why the comparable listing is superior or inferior to the subject.

- **Listing 1** List comp one is considered superior in upgrades according to listing remarks: "All new exterior and interior paint and a remodeled kitchen including new stone counter tops. The house was also completely re plumbed with pex pipping including the replacement of the water line from the city connection".
- **Listing 2** List comp two is considered superior due to having more GLA and land than subject property has featured; most heavily weighed list comp due to proximity.

Comments Regarding Pricing St	rategy	

The sale and listing search was expanded up to 3 miles in radius due to lack of active listing inventory and in some cases, included those comps with differentials in either GLA, lot size and or year built of up to 20% variance when necessary. Comparative Market Analysis applied with adjustments to GLA based on 50% of \$140 per square feet; year built 250 per year variance.
