#### Comments Regarding Pricing Strategy

Marketing Strategy AS IS sale. Premise for recommended list price based on most recent comparables within subjects expanded neighborhood, considering very low active inventory, stable demand and increasing values. Furthermore subjects location, exterior condition at time of inspection. Due to the subjects characteristics and market availability a wide spread of values is unavoidable . Due to lack of further recent comparables we had to expand the search radius furthermore expands the GLA, year built and lot size variances and sales date.
