| Comments Regarding Pricing Strategy | | |
| <p>Search was conducted with criteria focusing on comps within 0.50 miles radius of the home and interior features that resemble the subject property. All comps utilized remain within 10-20% of the home's size and 1-2 years. Proximity was expanded as a result of a limited supply, GLA, lot size, and age was also moved beyond average to feature enough market comps. The subject should be valued among similar sales that provides a prominent market value among competing homes. Sale date criteria was expanded over 6 months in date to attain comparable sales which have sold within a 12 month time frame. Due to the limited number of comps in the local market it was necessary to use a comparable that was slightly outside the allowable price threshold.</p> | | |
