<b>Comments Regarding Pricing Strategy</b>		
<p>Listing 1 and sold 1 are the most similar comps. The market in Clarksville exploded in March. Almost every home appreciated 20-30 k from Feb 1 to now. Some of the listing agents didn't realize a boom had taken place since listing the property and probably could have sold for higher. In this insanely crazy market, pricing high is the only option. It will sell no matter what the price in days. It will go into a bid war and sell for at least list or higher.</p>		

### Clear Capital Quality Assurance Comments Addendum
