<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is sfr townhome in average condition. The MLS was searched for comparable with the following criteria:: GLA range of 1598 to 2740 square feet, within 1 miles radius, 1985 to 2019 year built range, and 12 months' sale time for sold comps. The comparable that were closest in size, age, style, location and room count were chosen for this report. Due to limited comparable, need to exceed proximity up to 2.97 miles, garage. Due to limited comps available, list comps were despite not bracketing the GLA since they were considered to be reliable comparables. Subject is located closer to residential, commercial, RR track and major roadways. This however, will not have effect on value and marketability. Sale 2 and listing 2 are most comparable to the subject. Their value was weighted heavily in determining the value of the subject. Subject details were taken as per tax record.</p>		

## Clear Capital Quality Assurance Comments Addendum
