<b>Comments Regarding Pricing Strategy</b>		
<p>I went back 6 months, out in distance 1 mile and was able to find comps which fit the bpo requirements. The comps used are the best possible currently available comps within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and comps. *****Subject has no address marker, used neighbors marker to verify address***** 6101 Estates Cv, Austin, TX 78745- This comp is over six months old and it's not relevant to this rapidly increasing market. 810 Sahara Ave, Austin, TX 78745- This comp is over a year old and it's not relevant to this rapidly increasing market. 905 Turtle Creek Blvd, Austin, TX 78745-This comp is over six months old and it's not relevant to this rapidly increasing market.***** The Austin market is experiencing a listing shortage and homes that have been remodeled will sell in the range given in the report regardless of average market trends that show average market increases. The comps used in the report are in similar condition and support the price given to the subject in this report.</p>		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion is supported by the comparable data. It is noted the current as-is conclusion is higher than the prior report completed in March 2021; however, the Clear Capital Home Data Index indicate the market has increased by over 40% over the past 12 months. The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
