Comments Regarding Pricing S	Strategy				

There's a shortage of comparables with similar living space within immediate area so value variance, age, and GLA is necessary and pending date exceeding 120 days is needed for sold comps. Since subject requires no repair, listing it as-is will save the pre-marketing time and limit total amount of capital invested.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
