Comments Regarding Pricing Strategy

The market for this type property is leveling off. The market has recently slowed down and homes are not selling as fast as they were months ago. Home is located in a nice subdivision. It is a great affordable starter home or down size home. Compared comps and adjusted for differences.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
