Comments Regarding Pricing Strategy		
Subject property should be priced near mid low range of competing listings due to oversupply of directly competing listings. This property would be expected to sell near low range of adjusted comps with 90 days on market as sale requires Probate Court approval. Subject property is currently listed for sale for \$135,000 and under contract in 18 days on market. It appears to be priced for quick sale.		

Clear Capital Quality Assurance Comments Addendum
