Within 1 mile +/-30% GLA, +/-30 year built there were limited list comparable available so it was necessary to exceed proximity to 2 miles. The subject lot size was unique in the market within mile there were no comparable available having similar lot size as subject so it was necessary to exceed proximity to miles and within miles there were no list comparable available shaving similar lot size so it was necessary to exceed +/- lot size. It was necessary to exceed bed/bath count, +/- % GLA, style and use comparable with basement due to limited comparable in the subject neighborhood and was unable to bracket GLA in list comparable. Price range was over 25%in difference due to the neighborhood area hard to find comparable that is similar to the subject in condition and criteria.
