Comments Regarding Pricing Strategy		
The market in Clarksville just went up in value this month. No home can stay on the market past a few hours without getting multiple offers above asking price. People are even agreeing to pay cash above the appraisal inspection end number. I would not list this below the adjusted price of the most comparable sale. Which is sold comp 3.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
