Comments Regarding Pricing Strategy		
<p>Search was conducted with criteria focusing on comps within 2 miles radius of the home and interior features that resemble the subject property. All comps utilized remain within 10-20% of the home's size and 1-5 years. Proximity was expanded as a result of a limited supply, GLA, lot size, and age was also moved beyond average to feature enough market comps. The subject should be valued among similar sales that provides a prominent market value among competing homes. Due to the limited number of comps in the local market it was necessary to use a comparable that was slightly outside the allowable price threshold.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
