Comments Regarding Pricing Strategy		
<p>Comparables used were taken from within a 2 mile radius, do to shortage of listings in area and within last 12 months, and searched with a 500 SF variance. Comps were pulled at lowest end in last 12 months with no comps to support current value of subjects short sale listing. Recommend an interior inspection to determine repairs needed, as only paint observed and no MLS pictures show any repairs. Sale 3 is most comparable and recent sale to reflect the "repaired " value with repairs and ROI subtracted to determine the "as is" value.</p>
