Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed with in 1 mile from the subject, over 6 months from inspection date, guidelines for GLA, lot size, age and some recommended guidelines when choosing comparable properties. Comps used are different gla due to the lack of recent market activity, used most similar found. Due to lack of comparable with similar bed room and bath room count with in 30% GLA, with in 1 miles and over 6 month, Different bed room and bath room count comps were used in this report. All necessary adjustment were made. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas.
