<b>Comments Regarding Pricing Strategy</b>		
<p>Due to limited available comps some search parameters had to be expanded. Distance and 6 month expansion has minimal to no impact on value. Adjustments were made for any value changes that may have occurred with lot size and gla expansion. Price opinion is based on comparable properties and local market knowledge. Notwithstanding any preprinted verbiage to the contrary, this is a broker price opinion of the subject property specified on this report. This is not an appraisal of the market value of the property. If an appraisal is desired, the services of a licensed or certified appraiser must be obtained. The final value of this property is an opinion obtained from the similar comparable properties and market knowledge.</p>
