Addendum: Report Purpose - cont.**Report Instructions**

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report.

Instructions last updated: 7/17/2017

Purpose:

Please determine a realistic market value for this property at which it would sell in a typical marketing time for the area.

Comparable Requirements:

If any of the following comparable criteria cannot be met, commentary is required as to why you expanded your search, and what the effect on value will be.

1. Use comps from the same neighborhood, block or subdivision.
2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.
3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Property Condition Definitions:

1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold
2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average
3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations
4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)
5. Excellent: Newer construction (1-5 years) or high end luxury
