## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price	A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.
Distressed Price	A price at which the property would sell between a willing buyer and a seller acting under duress.
Marketing Time	The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.
Typical for Local Market	The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
