#### **Comments Regarding Pricing Strategy**

Searched subdivision and zip code for properties similar to subject in age, condition, beds, baths, and square footage. Keeping proximity heavily weighted criteria. Based value on subject in overall good condition as a fair market property to sell in a normal marketing period. As Is with no seller concessions. Based value on active and solds and adjusted for differences. Took active and solds into consideration for final value conclusion. Due to limited inventory similar to subject property expanded age for SC1 and SC2. Expanded distance to 1 mile for AC1, AC2 and SC3. These are currently the best comps available for subject property. The adjustments are sufficient to account for differences between subject and comps \*\*Subject property sold on 05/03/2021 for \$260,000. Based on sales in this immediate area this property sold below market value. There are no active or recent sales similar in condition as subject with an in ground pool to justify recent sale price of subject.
