The subject is located next to highway, rail road, commercial area, park, school, worship center, cemetery, retail amenities and other facilities which won't affect it's market value. To stay within the proximity condition. age over 10yrs, bed/bath count, basement, garage count and lot size were exceeded. However sold comparable 2 and list comparable 2 were given most weightage in the final analysis. Subject is located behind a lot of bushes and trees, therefore no clear photo is available.
