Comments Regarding Pricing S	trategy			

Subject appears to have been recently remodeled and the list price was set low to generate multiple offers. Appears garage was enclosed to add more GLA. Good demand for residential properties in this neighborhood. Would sell in average marketing time for the area if priced correctly.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported. Notes
